### Pre-conference PhD Workshop

#### European Research Network On Philanthropy

8<sup>th</sup> International Conference, 12 July 2017

Copenhagen Business School

Copenhagen, Denmark

The future of our field of research is in the hands of our students. Investing in the next generation of researchers is an important instrument to increase the quality of research. Therefore we are happy to announce that ERNOP is organizing a pre-conference workshop for PhD candidates. René Bekkers (VU Amsterdam), Anne-Claire Pache (ESSEC) and Maria Gallo (NUI Galway) will mentor a selection of PhD candidates who are in the initial stage of their dissertation research. The goal of the workshop is to help PhD candidates design their dissertation plans and provide them with feedback from the mentors and the other. Participants briefly present their research plans and discuss them with each other. Candidates from all nations and all disciplines are welcome to apply. A limited number of travel and accommodation grants (€250 each) is available for students who have no other funding to attend the workshop.

#### Guidelines for proposals

Please submit your application for participation [here](#).

The application should be containing :

- A motivation letter by the PhD candidate, explaining what the candidate is expecting to learn from the workshop;
- A (maximum) three-page description of the dissertation plan;
- A support letter from the dissertation supervisor(s).

Candidates in an early stage of their dissertation research (e.g., preparing a dissertation proposal, working on their literature review or a first paper) will be prioritized.

**Participation is free of charge, but admission limited, and registration required.**
