

Dear ERNOP- conference participant,

On behalf of CBS Center for Civil Society Studies I am happy to welcome you to the ERNOP-conference in July. We are looking very much forward to hosting this important event.

If you arrive in Copenhagen on July 12th, we would also like to invite you to our pre-conference event on *the Societal Significance of European Foundations* taking place from 2-5 pm at the Carlsberg Academy.

The event is a poster-based conference attended by practitioners as well as researchers of philanthropy. This mixed audience will be addressed by two keynote speakers, and given opportunities to discuss peer reviewed and invited posters in an interactive workshop fashion. In short, the pre-conference event provides a unique opportunity to engage in discussions on matters of mutual interests – supplemented by snacks and locally brewed beverages.

Participation in the pre-conference is free of charge, but admission is limited and registration required. For registration, please contact ep.dbp@cbs.dk.

A formal program (including travel information) will be forwarded to registered participants.

Yours sincerely,

Anker Brink Lund

CBS Center for Civil Society Studies
