

WHY BECOME AN ERNOP MEMBER - AS AN ACADEMIC?

SUPPORT ERNOP'S MISSION TO COORDINATE, ADVANCE & PROMOTE PHILANTHROPY RESEARCH IN EUROPE WITH YOUR MEMBERSHIP

CONNECT

Engage with 250+ peers across Europe and beyond, including 50+ PhD students and 100+ professionals in philanthropy research by:

- ❖ Participating in the biennial [ERNOP conference](#), the premier networking platform for philanthropy researchers and practitioners
- ❖ Joining our (online) events to connect and network with peers
- ❖ Collaborating on joint [research projects](#)
- ❖ Connecting with representatives from the European philanthropy sector at [AGAPE](#) (institutional members only)

SHARE

Disseminate your work through joint publications, research notes, seminars, conferences, and events. Gain visibility in the field via:

- ❖ ERNOP's LinkedIn page (3,000+ followers)
- ❖ Speaking and presenting opportunities at our webinars and events
- ❖ Collaborative publications in special issues
- ❖ Have your work published in our unique Research Notes format

LEARN

Access essential resources and current research through:

- ❖ [ERNOP Science and Society seminars](#) (and recordings)
- ❖ ERNOP [Research Notes](#)
- ❖ ERNOP Conference proceedings (200+ articles on philanthropy)
- ❖ Regularly updated [Philanthropy Country Profiles](#)
- ❖ Yearly [Snapshot of Philanthropy Research in Europe](#)
- ❖ [Giving in Europe Study](#) (2025 edition)

GROW

Enhance your network, skills, and knowledge by:

- ❖ Connecting with co-authors for new research projects
- ❖ Collaborating with professionals to develop joint publication
- ❖ Engaging in our [PhD Perspectives](#) or our yearly PhD Circle
